

# FreePractice Makeover

Free Practice Makeover is a service designed to assist IFAs and other investment professionals with practice management issues. Got a dreadful practice management problem? Tell us about your practice management problem and get help solving it from our experts. Tell us about your toughest practice management challenges; if your business is chosen, you'll receive free expert advice and be featured in upcoming issue of IFA Connect! If you wish, we'll keep your identity secret, so you needn't worry about upsetting clients, staff, or business partners.
